TAC Charge: With a pandemic, an enrollment crisis, and a recurring need to pivot fast we must take action. Pioneering a bold plan to fully activate IUs 21 transfer friendly standards in 8 weeks, IUs Transfer Action Caucus (TAC) is dedicated to solving critical issues impacting transfer vital for student success. The TAC brings together delegated campus representatives, charged with decision making powers, through workgroup consultation, to take immediate action on metrics and consistency for transfer. The TAC will review the past, audit progress, chart action, implement changes, define benchmarks, and track measurable outcomes.
