### In the Know

#### National Transfer Student Week Updates

Thank you for participating in National Transfer Student Week. Our campuses implemented varied initiatives to honor transfer students and staff. These ranged from guest speakers and center meet & greets to SWAG giveaways and application fee waivers. Continue to spotlight transfer students throughout the year. Send your event links to [uto@iu.edu](mailto:uto@iu.edu) and we will post to the [transfer.iu.edu](https://transfer.iu.edu) student [events page](#).

#### Fall 2020 Reverse Transfer

The deadline to opt-in to Reverse Transfer for fall 2020 has closed. On November 6, IU generated and sent transcripts of those who opted-in to the student's former college, either Ivy Tech or Vincennes, for consideration for a two-year credential. Vincennes or Ivy Tech will contact the student directly if they are eligible to earn a credential. For more information, please see the Reverse Transfer [FAQs](#).

#### Agreements

In preparing campuses to respond to new demands for articulation agreements we share a resource for developing and maintaining official articulation agreements and Guaranteed Admissions documents. See [articulation agreement](#) template and the [Guaranteed Admissions Agreement guidance](#) document.
