### What’s New

#### National Transfer Student Week

The National Institute for the Study of Transfer Students (NISTS) organizes National Transfer Student Week annually. This year’s National Transfer Student Week is being held October 21-25. UTO is reaching out to gather information on each of the campuses’ activities that are related to National Transfer Student week. Even if your campus is holding your National Transfer Student Week campus activities the week before or after October 21-25 due to fall break, feel free to send us the details of any related activities so we can highlight them in November.

IU Northwest has graciously shared a couple of flyers for events hosted on their campus for National Transfer Student Week. One flyer features a transfer café information session, and the other reveals their events for the whole week. These flyers can be accessed on the right.

#### TSAP Review

UTO is undertaking a review of all the current TSAP programs and checking that they have completed all the stages needed to place students in the TSAP. These steps include working with campus faculty, obtaining curriculum approval, going through university processes, and website/marketing/enrollment access/iGPS setup.

Audit documentation will be sent out in the next month to campus representatives.

#### Feature an Article

UTO has created a great resource for IU transfer staff, faculty, and administrators to share articles that focus on transfer. UTO will regularly showcase articles shared with us via our Monthly Issue Brief and website. Please review [the General Disclaimer and Article Guidelines](#) before leaving an article suggestion.

After reviewing, please leave your article suggestions by following the link to the right.

#### Guidance Documents and Training

New to transfer? Unsure of information used to make a decision of transfer as a staff, faculty or administrator? Want to know what TES or CTS is? Check out our Canvas Training course. Enroll by following the link to the right. To help with consistency, a guidance document manual was also created. See link on the right.

Sincerely,

**The University Transfer Office**
